6 BEDROOMS, 3 BATHROOMS, 3 CAR GARAGE

A statement of modern family living totalling 38.85 squares of living* and thoughtfully designed to accommodate those larger families with multiply children, teenagers or even the parents and grandparents.

Featuring six generously sized bedrooms, all complete with walk-in robes, three modern bathrooms (two being ensuites) 4 toilets including a convenient powder room, separate theatre room for “movie night enjoyment”.

The entertainer’s kitchen is sure to impress, showcasing quality appliances, stone benchtops, ample storage, and a practical layout designed for both everyday living and hosting guests plus the large butler’s pantry with second double sink and also incorporating stone benchtops for durability and functionality.

Family space is enhanced by the big open plan family living and dining areas plus the upstairs rumpus area “or” children’s retreat and relaxation zone, ducted heating plus the reverse cycle split system heating and cooling ensures year-round comfort.
